APPEAL

RE: Appeal of Reduced Funding of Internet Access Service for Polk County School District

Date: July 6, 2006

Funding Commitment Report Dated 05/09/06
Applicant Name: Polk County School District
Form 471 Application Number: 524456
Billed Entity Number: 128269
Funding Request Number: 1474297
Funding Year: 2006 (Year 9)

Appeal Request: Telephone Service FRN # 1474297 was denied by the SLD because a contract for new service was signed prior to the required 28-day waiting period computed from the date of the posting of the Form 470 to the SLD website. We wish to appeal this denial based on the attached FCC Decision on Wayland Free Library (File No. 134324, DA 01-2706).

The Funding Commitment Letter explanation states:

"Modify the Contract Award Date in compliance with the contract. A contract for a new service was signed prior to the required 28-day waiting period computed from the date of the posting of the Form 470 to the SLD Web Site."

Applicant Explanation:

Due to a clerical error, Polk County School District cited the wrong FCC Form 470 and contract information on Application # 524456, Funding Request Number 1474297. Our contract was correctly bid and a Form 470 for telecommunication services was properly posted to the SLD's website.

We would like to clarify the correct Form 470 Application number that should have been used on Form 471 Application #524456. During PIA review, our school district was contacted regarding the incorrect contract award date. The copy of the contract that was sent was a rebate award program instead of the actual contract information. The original contract was bid and a Form 470 was properly posted (Form 470 Application #337930000399003). We selected BellSouth Telecommunications, Inc. at that time and the contract was signed on January 10, 2002. The contract expiration date for this contract is June 30, 2007. Please allow us to correct the Form 470 application information and contract information as allowed in the attached November 20, 2001 FCC decision on Wayland Free Library (SLD-134324, DA 01-2706). In this FCC decision, the SLD will grant appeals when the applicant has cited the wrong FCC Form 470 in a Funding Request Number (FRN) but did have an FCC Form 470 that supports the FRN and cites the correct FCC Form 470 in its appeal to the SLD."

Relief Requested

We request that the application be funded in full for \$17,979.48 given that we did have a correctly posted Form 470 and followed all of the requirements.

In addition to the above, we are also available to provide any additional clarification **needed**. I look forward to your **resolution of this** appeal and am **available** to **answer** any other **questions** you may have. Thank you for your assistance.

Sincerely,

Laura Barnett

ORDER

Adopted: November 19, 2001

Released: November 20, 2001

By the Accounting Policy Division, Common Carrier Bureau:

1. Before the Accounting Policy Division (Division) are Requests ~~for~~ Review filed by Wayland Free Library (Wayland), Wayland, New York, and South Carolina Budget and Control Board, Office of Information Resources (SC), Columbia, South Carolina (collectively, Petitioners).¹ Petitioners seek review of decisions by the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (Administrator), denying requests for discounts under the schools and libraries universal service support mechanism for failure to satisfy the 28-day competitive bidding requirement.² For the reasons discussed below, we grant the pending Requests for Review and remand for further consideration.

¹ See Letter from Marisa Crawford, Wayland Free Library, to Federal Communications Commission, filed May 9, 2000 (Wayland Request for Review); Request for Review of the Decision of the Universal Service Administrator By South Carolina Budget and Control Board, Office of Information Resources, CC Docket Nos. 9645 and 97-21, Request for Review, filed July 12, 2000 (SC Request for Review).

² Section 54.719(c) of the Commission's rules provides that any person aggrieved by an action taken by a division of the Administrator may seek review from the Commission. 47 C.F.R. § 54.719(c).

Federal Communications Commission

DA 01-2706

2. Under the schools and libraries universal service support mechanism, eligible schools, libraries, and consortia that include eligible schools and libraries may apply for discounts for eligible telecommunications services, Internet access, and internal connections.³ The Commission's rules provide that, with one limited exception, an eligible school, library, or consortium must seek competitive bids for all services eligible for support.⁴ The Commission reasoned that competitive bidding would ensure fiscal responsibility and would be the best means for ensuring that eligible schools and libraries are able to receive services at the most competitive rates?

3. The Commission's competitive bidding rules require that an applicant submit to the Administrator a completed FCC Form 470, in which the applicant lists the services for which it seeks discounts. The Administrator assigns each FCC Form 470 a unique identifying number, which in Funding Year 2 was called a Universal Service Control Number (USCN). The Administrator must then post the FCC Form 470 on its web site and the applicant is required to wait 28 days before making a commitment to a selected service provider.⁵ The Commission's rules provide a limited exemption from the 28-day competitive bidding requirement for applicants that have pre-existing contracts as defined by the Commission's rules; in this case, the contract need not be subjected to competitive bidding, but must still be identified in an FCC Form 470.⁶ After the FCC Form 470 has been posted for 28 days, and the applicant has selected a service provider, the applicant must submit to the Administrator an FCC Form 471, which lists the services that have been ordered, and cites the FCC Form 470 that presented the service for competitive bidding, or in the case of services based on pre-existing contracts, the FCC Form 470 that presented that contract?

4. In each of the pending applications, SLD issued Funding Commitment Decision Letters, denying a funding request because it found that the request had cited an FCC Form 470

that did not support the request.¹⁰ Each of the Petitioner⁶ then appealed to SLD, informing SLD that the USCN cited in the funding request was the result of a clerical error and referring SLD to the correct FCC Form 470 USCN.¹¹ SLD denied both appeals, on the grounds that the new FCC Form 470 numbers submitted by the Petitioners constituted impermissible new evidence.¹² Each of the Petitioners then submitted a Request for Review, again referring to a USCN that allegedly supports their funding requests.¹³

5. Under SLD's appeal review procedures, SLD will grant appeals when the applicant has cited the wrong FCC Form 470 in a Funding Request Number (FRN) but did have an FCC Form 470 that supports the FRN and cites that correct FCC Form 470 in its appeal to SLD.¹⁴ Because this procedure is applicable here, we find that SLD should have reviewed the funding requests in light of the new FCC Form 470 USCN numbers. We therefore reverse and remand the pending applications for further consideration.

6. **ACCORDINGLY, IT IS ORDERED**, pursuant to authority delegated under sections 0.91, 0.291, and 54.722(a) of the Commission's rules, 47 C.F.R. §§ 0.91, 0.291, and 54.722(a), that the Request for Review filed on May 9, 2000 by Wayland Free Library, Wayland, New York, IS GRANTED and this application IS REMANDED to SLD for further action consistent with this opinion.

35. ☒ I certify that if any of the Funding Requests on this Form 471 are for discounts for products or services that contain both eligible and ineligible components, that I have allocated the cost of the contract to eligible and ineligible companies as required by the Commission's rules at 47 C.F.R. Sec. 54.504(g)(1),(2).

36. ☒ I certify that this funding request does not constitute a request for internal connections services, except basic maintenance services, in violation of the Commission requirement that eligible entities are not eligible for such support more than twice every five funding years beginning with Funding Year 2006 as required by the Commission's rules at 47 C.F.R. Sec. 54.506(c).

Response Due Date: 1/30/2007

The Program Integrity Assurance (PIA) team is in the process of reviewing all Funding Year 2006 Form 471 applications for schools and libraries discounts to ensure that they are in compliance with the rules of the Universal Service program. We are currently in the process of reviewing your Funding Year 2006 Form 471 Application. To complete our review we need some additional information. The information needed to complete the Review is listed below.

The Contract Award Date ("CAD") of 6/18/2004 for FRN 1474297
<<http://172.17.24.80/A-STARs/exceptions/redirect471.asp?frn=1474297&appid=524456>> is more than eighteen months after the Allowable Contract Date ("ACD") of 1/10/2002 for the referenced Form 470 337930000399003
<<http://172.17.24.80/A-STARs/exceptions/redirect.asp?appid=399003>>
Please provide a rationale summarizing the reason for this time lag

Response: Please see attached contract. Due to a clerical error, we entered the wrong Form 470 and contract information. Please see attached corrected Block 5 information.

Please provide a copy of the full contract, signed and dated by both parties, to support the funding request. If the contract is a State Master Contract, you do not have to submit a copy of the signed contract if that contract is available online or has already been submitted to PIA.

Please provide us with the contract name and number of the State Master Contract. If you have already submitted the relevant contract information in connection with another review, please provide the Form 471 application number involved so that we can locate the documentation in our files.

Response: Please see a copy of the signed contract. Please let me know if you have any further questions.

Additionally, please verify if the referenced Form 470 is the establishing Form 470 for the services to the entity on this Form 471. If the referenced Form 470 is NOT the establishing Form 470, please provide the 15-digit Form 470 Number that did establish the bidding for the FRN.

The ~~establishing~~ Form 470 is the specific Form 470, which was posted for that particular service for 28 days, and pursuant to which a contract was signed or an agreement was entered into. For a request in the Basic Maintenance service category, it is possible that the establishing 470 was filed under an Internal Connections service category. The establishing 470 could have been posted by the State, if the requested services are being purchased off of a State Master Contract.

Response: The correct Form **470 application** number is **337930000399003** with an allowable contract date of **1/10/2002**.

Please fax or ~~e-mail~~ the requested information to my attention. If you have any questions, please feel free to contact me.

It is important that we receive all ~~of~~ the information requested within 15 calendar days so we can complete our review. ~~Failure~~ to do so may result in a reduction or denial of funding. If you need additional time to prepare your response, please let ~~me~~ know as soon as possible.

Please advise me if the Contact Person on the ~~application(s)~~ has changed from that on the original application. This change must include the Form 471 application number(s) and be signed by the original application's Contact Person, the original application's Authorized Person or a school official (with name and title provided).

Response: The correct ~~contact~~ person is Laura ~~Barnett~~.

Should you wish to ~~cancel~~ this Form 471 application, or any ~~of~~ your individual funding requests, please clearly indicate in your response that it is your intention to cancel an application or funding request(s); along with the application number and/or funding request number(s), and the complete name, title and signature of the authorized individual,

Response: Please allow us to change the Form 470 number and contract Information. We do not wish to cancel ~~this~~ Form **471**.

Thank you for your cooperation and continued support of the Universal Service program.

Sincerely

Marie C. Thomas

Dear Ms. Thomas,
We are currently working with BellSouth to obtain a copy of our 2002 contract. All we have from them so far is a copy of the extension signed in 2005. Please grant us a 10 day extension of the January 30 deadline so we may continue to work with BellSouth.

Thank you!
